

## AFFIDAVIT TO PROHIBIT INSECTICIDE APPLICATION

(Only for persons that may suffer medical harm from insecticide application) 2022 Japanese Beetle Eradication Project

This form is for owners or occupants residing within the boundaries of the Plant Pest Emergency control area that may suffer medical harm from insecticide application. Per UCA § 4-35-107 (3)(a), persons properly completing this form and submitting it to the Utah Department of Agriculture and Food by **April 1st, 2022** may have their properties exempt from insecticide application and instead, will need to complete alternative, non-chemical measures, approved by the department, to abate the insect infestation. **Incomplete or unsigned forms will not be considered by UDAF.**
